## Scouting Report

- Daniel William is a 6'8 long and very versatile forward who attacks the mismatches with the capabilities of playing inside and out. Can stretch the defenses out with spot up shooting as well as taking them off the dribble with either hand. Has the ability to create his own shot as well as creating for others. Very high basketball IQ and extremely gifted defender with the ability to guard all positions. At times given the responsibilities of guarding the opposing teams best offensive player, whether guard or forward... "The best defender to come through our program" - Josh Gamblin, Head men's basketball coach for Mid America Christian University.

- Strengths

- Size and length to play multiple positions
- Wingspan
- Physical Tools
- Basketball IQ
- Defense
- Slashing ability
- Versatility

- "Daniel William is a very skilled and long forward with the ability to play both forward positions. Has a natural gift to defend with a very high basketball IQ. Team player with the mindset to just "win". Great combination of size and handle with the abilities to run the lanes and slash through the lanes. Was our best attacker off the dribble for Southeast community college 2015-16 year." - Aaron Block, Assistant Coach at Southeast Community College
